

IAAO Course 101: Fundamentals of Real Property Appraisal

This course provides the student with an understanding and working knowledge of the procedures and techniques required to estimate the market value of vacant and improved properties. Students will acquire the skills necessary for estimating the market value of properties using two approaches to value: the cost approach and the sales comparison approach.

This course includes an optional exam. The exam is required for Idaho students using the course to meet state certification requirements.

Successful completion of this course meets one of Idaho's three requirements for becoming a "Certified Property Tax Appraiser" for ad valorem appraisal.
