Who's This Workshop For?

This workshop is ideal for anyone who is currently a manager or supervisor, but also for those who aspire to advance their careers into those positions!

Required Prerequisite

None, the workshop is open to everyone who's interested in learning more about managing personnel issues in an interactive and engaging workshop that'll use collaborative problem-solving exercises.

What You'll Learn

This workshop takes you through the scenario of being a manager and focuses on one of the hardest parts of managing – personnel issues. It'll offer guidelines for handling employees and take you through various scenarios to help you find solutions to situations that happen every day in the assessment office or any office! Topics including hiring practices, communication issues, working with difficult personalities, and much, much more.
