2023 IDAHO PROPERTY TAX EDUCATION
WEBINAR SERIES

'The Future of Analytics – Power BI'

Date and Time

Thursday, September 28, 2023   10:00 a.m. – 12:00 p.m. (Mountain)

Online/virtual webinar

Requirements for This Webinar

- A reliable, high-speed internet connection
- Speakers or headphones
- A working microphone and webcam are encouraged but not required

Webinar Description

Power BI is a game changer in truly understanding your assessing data! Power BI can help identify problem areas, develop KPIs (Key Performance Indicators), help users track their progress, and develop advanced analytics. Best of all, Power BI reports are easily shared with others, allowing individuals to make quick and informed decisions.

Instructor   David Cornell, CAE, MAI, Cornell Consultants, LLC

David Cornell consults with assessing offices nationally and develops valuation models and system processes in helping with enhancing efficiencies. He is a Certified Microsoft Trainer and a Certified Excel Expert. David was the assistant director for the New Hampshire Department of Revenue and previously served as the Assessor for the City of Manchester (NH). David has been a Senior IAAO Instructor for 10 years.
