Subject: Ordinance No. ord._2023_01 KUNA (CITY)

Dear Ms. Engels:

The Tax Commission has received and reviewed the above referenced action. This review cannot be completed and recognized because the following deficiencies were found:

- The legal description does not match the map. Legal description states the annexation is in Section 25 Township 2 North, 1 West Boise Meridian, when it is in Section 30 Township 2 North, 1 East Boise Meridian.

Please make this correction, have the ordinance re-recorded, and re-submit to the State Tax Commission in compliance with I.C. 63-215 and IDAPA Rule 35.01.03 255.

Before this annexation/de-annexation can be processed for the 2024 year, the deficiencies listed need to be corrected. Failure to correct these deficiencies will result in the above referenced action not being recognized by the Idaho State Tax Commission, pursuant to its authority under Idaho Code Section 63-215. Thank you for your attention to the required legal descriptions and mapping requirements. If you have any questions, please call us at (208) 334-7750.
